

Skat News - December 2014

skat Swiss Resource Centre and Consultants for Development

... and a group of young people, led by former skat interns and consultants, and others, are working together to build a new, sustainable, and socially responsible business. The skat team is providing technical assistance and training to the business, including business plan development, market research, and financial modelling. The business is currently operating in a formalized manner and is generating a sustainable income. The skat team is also providing training to the business owners and employees on various business topics, including financial management, marketing, and customer service. The business is currently operating in a formalized manner and is generating a sustainable income. The skat team is also providing training to the business owners and employees on various business topics, including financial management, marketing, and customer service.

Building and setting up a business
