

Skat News - December 2010

The Swiss Resource Centre and Consultancies for Development (SKAT) is a non-profit organization that provides technical assistance and consulting services to governments and private sector organizations. SKAT is a Swiss organization with its headquarters in Bern, Switzerland. It was founded in 1983 and has since then been working to support development projects and programs in over 100 countries. SKAT's work is based on the principles of transparency, accountability, and efficiency. The organization's mission is to provide high-quality technical assistance and consulting services to governments and private sector organizations. SKAT's services include policy analysis, project design, implementation, and evaluation. SKAT also provides training and capacity building services to government officials and private sector professionals. SKAT's work is funded by the Swiss government and other donors. SKAT's website is www.skat.ch. SKAT's contact information is as follows: SKAT Swiss Resource Centre and Consultancies for Development, Postfach 31, CH-3000 Bern, Switzerland.
