## **ECONOMIC EXPATRIATE ADVISOR**

Since 2012 SKAT Consulting Ltd is implementing the project known as PROECCO (Promoting off-farm employment and income in the Great Lakes Region through climate responsive construction material production) funded by the Swiss Development Cooperation (SDC).

The project is implemented through three coordination offices, one in Kigali City, a field coordination office for the Lake Kivu Zone in Kamembe, Rusizi District, responsible for the zone along Lake Kivu in Rwanda and also for South Kivu in RDC, and another office in Bujumbura, Burundi.

The overall aim of the project is to minimise the impact of building material production on the environment while improving the livelihoods and working conditions of workers in the building material sector. The Project implementation involves a range of stakeholders, namely entrepreneurs in the building material sector, rural men and women employed in the sector, raw material suppliers, business service providers, national level and local authorities, vocational training institutions and other stakeholders.

In this context, Skat-PROECCO is seeking an experienced professional to fill the **position of an ECONOMIC EXPATRIATE ADVISOR** responsible for the coordination and day-to-day management of the **Bujumbura Field Office**.

### **Deadline for Submission of Application**

Eligible and interested candidates should submit a letter of application and a detailed CV in English and French language and in electronic format not later than 1st of July 2017 to:
