KEY COMPETENCIES

Dr. Sanjay K Gupta has more than 16 years of work experience mostly in developing countries and countries in transition in the field of waste management, recycling, resettlement and livelihood, water and sanitation, PPP designing, planning, implementation and advocacy. He has mostly worked with municipalities and lower governance structures on service delivery and capacity building of Urban Local Bodies for PPP/PSD. He has been part of several award winning models developed in waste management and sanitation in urban areas of developing countries and written key strategy documents for organisations on waste management in Azerbaijan, Egypt, India, Bhutan and Sri Lanka. He has extensively worked on communication strategies and negotiations for inclusion of informal sector in waste projects through multi-stakeholder consultations in India, Azerbaijan, Kyrgyzstan, Vietnam and Indonesia. He prepared the national strategy for integrated solid waste management for Bhutan along with reviewing its National Policy and Regulation. He also led a large World Bank Social Assessment and Tribal Development Plan for Jharkhand – India, supported by World Bank on Sanitation. He has spoken at global conferences and has also been a repeat speaker at TEDx – a well-known platform for people who have made impact in the world. More recently, he helped a 1 million+ population Coimbatore city municipality create a Guinness Book of World Record on Mass Awareness on Recycling.

He holds a PhD from the prestigious Jawaharlal Nehru University, New Delhi in **Policy Research – Conflict Management**. In addition, he has been trained in Integrated Process in Water and Sanitation in Sweden, Egypt and Netherlands. He has written more than a dozen papers which have been internationally published on waste issues, spoken in more than 20 countries and is co-author of books like Millennium Development Goals and Solid Waste Management (translated in 4 foreign languages), Global Waste Management Outlook, Status of Solid Waste in World Cities for UN-Habitat, Integrating the Informal Sector.
