

Skat News - December 2014

skat Swiss Resource Centre and Centuries for Development

Supporting the development of small and medium-sized enterprises (SMEs) and start-ups in the Swiss cantons and abroad. We offer a wide range of services and support to help them grow and succeed.

Key services and support:

- Business plan development:** We provide professional business plan development services to help SMEs and start-ups define their strategy and secure financing.
- Market research:** We conduct market research to identify opportunities and risks in new markets.
- Legal and financial advice:** We provide expert advice on legal and financial aspects of business operations.
- Networking and partnerships:** We facilitate networking opportunities and partnerships with potential customers and partners.
- Internationalization support:** We assist SMEs in expanding their operations into international markets.

Our commitment: We are dedicated to providing high-quality, personalized support to our clients, helping them achieve their business goals and create sustainable growth.
