

Skat Newsletter 2018

2018 marked **Skat's 40th Anniversary** and a special celebration in September brought together partners, clients and colleagues. The theme of event was **"today's trends and challenges in development cooperation"**. After a thought-provoking key note speech held by Andreas Schild, the panelists highlighted various perspectives during a lively panel discussion on trends in development cooperation in the areas of private sector development, good governance, and networking. For more information on the event, please visit [our website](#).
