Support to the SDC focal point for the DLGN - Decentralisation and Local Governance Network

Country:

Global

Project Period:

2010-2011

Services Provided:

[Backstopping & Technical Advice](#)

Name of Client:

[Swiss Development and Cooperation \(SDC\)](#)

Name of Partner Organisation:

Ximpulse GmbH

Description of the Project:

Project management in cooperation with Ximpulse Consultants to support and advise the SDC's Focal Point on Decentralization and Local Governance and the Western Balkans Division on thematic issues, to reinforce the thematic competences and capacities of the Focal Point and the Decentralisation and Local Governance Network DLGN in institutional learning, exchange, training, institutional networking and operational support, and to contribute to the thematic quality control and sustainable impact of operations. The assignment also includes the concept formulation and organisation of a Knowledge Fair, revising the Share Web, overseeing e-discussions, and the planning of a F2F workshop in Sarajevo.
