- Preparation of a revised version of the manual “Support Package for Rapid Response

Mission for the Humanitarian Aid unit of the Swiss Agency for Development and Cooperation.

Name of Client(s):

[Swiss Agency for Development and Cooperation \(Humanitarian Aid\)](#)

Description of the Project:

The draft manual “Support Package for Water and Environmental Sanitation Experts in Rapid Response Missions” was reviewed during a workshop held in January 2009. A more advanced version has been prepared on the basis of the comments discussed during the workshop. This manual contains a series of checklists that can be used by water and environmental sanitation experts when preparing and conducting rapid assessment and response missions.
