Study Visit from a Ukrainian Parliamentarian Delegation (DESPRO)

In November, in the framework of the Swiss-Ukrainian Decentralization Support Project ([DESPRO](#)) and upon request from the Cooperation Office in Ukraine of the Swiss Agency for Development and Cooperation (SDC), Skat organised a four-day Study Visit of a delegation of parliamentarians and senior government representatives from Ukraine. Thematically, the Study Visit focused on the Swiss experiences on territorial amalgamation, inter-municipal cooperation, direct democracy and citizen participation.

Country:

Switzerland
