

## Curriculum Vitae

**Name** **Hecke, Frank Jonathan**  
**Profession** Civil Engineer, Water and Sanitation Specialist  
**Born** 24 November 1958 in Temuco, Chile  
**Nationalities** Swiss, German, Chilean  
**Contact details** Tel: +373 60 202 101  
e-mail: [jonathan.hecke@skat.ch](mailto:jonathan.hecke@skat.ch)

## KEY COMPETENCIES

A civil engineer by training, Jonathan Hecke has 35 years of professional experience as a project manager and consultant in development and in emergency aid / reconstruction programmes and projects. He has worked in a variety of institutional settings in low- and middle-income countries and in Europe.

His professional expertise includes **water supply, sanitation and solid waste management**, as well as general project planning and management in multi-disciplinary programmes. He has broad and practical experience in the **development, design, implementation, monitoring and evaluation of engineering and management solutions** that integrate technical, economic, institutional, socio-cultural and environmental aspects.

Conceptual and practical work in the areas of **knowledge sharing** (networks, communities of practice), capacity development, strengthening of civil society organizations, and institutional development at local, regional or national level.
