

Junior Water Expert 70 – 100 %

BACKGROUND INFORMATION

Skat Consulting Ltd. (Skat) is an owner-operated leading Swiss company specialising in international co-operation. We support governments, the private sector and civil society around the globe in improving people's lives by facilitating lasting solutions in water, building, energy, and governance.

Our work in **water** focuses on consulting, project implementation as well as networking and knowledge exchange for Water, Sanitation and Hygiene and Integrated Water Resources Management.

WHAT WE OFFER

We are looking for a Junior Water Expert to **support our water team** in our ongoing exciting projects and in developing new projects and business. The position is suitable for recent graduates with a few years of professional experience. With this position, we provide graduates with an **entry opportunity in international cooperation** in a dynamic consulting company with a highly cooperative atmosphere.

The workplace will be in St. Gallen (close to the train station). Home office is possible. Planned starting date is **as soon as possible** or upon agreement.

We offer attractive working conditions in a motivated, interdisciplinary and multicultural team. The work we are offering is manifold and entails a lot of personal responsibility. We offer our employees to participate as shareholders.

YOUR MAIN TASKS

- Contribute to our Backstopping Mandate to [SDC's water network RésEAU](#), including organisation and facilitation of learning and exchange activities in the water network
- Contribute to other ongoing water related projects.
- Participate in business development, e.g. support developing new business models, prepare project proposals for tenders
- Management of own projects within 1 -2 years after joining Skat Consulting AG

REQUIREMENTS

- University (Master) degree in a field relevant to the position (such as. environmental sciences, water engineering, hydrogeology, geography, international relations etc.).
- Good understanding of the global water challenges and strong interest in international cooperation
- Strong communication skills and team player
- Excellent organizational skills and ability to multitask
- Excellent English skills are mandatory. Any other languages (e. g. German, French) are an additional asset
- 2 years or more of prior experience in international cooperation and working abroad (including internships)
- Intercultural competences and gender sensitivity are required

APPLICATION

We look forward to receiving your complete application including motivation letter, CV, diplomas and references until February 26, 2023 to jobs@skat.ch. For further information please contact Birgit Christine Törnell , +41 71 228 54 54 or visit our website www.skat.ch
